Write about 100 to 150 words in the following topic: **If you had a letter from your favourite artist, what would you do with it? Give reasons.**

To begin with, I must say that I cannot think of any artist who I passionately adore, but I do admire American film director Woody Allen. I do not think that I will ever be brave enough to write a letter to him, but if I ever did, I presume that he is not the type of person who would answer back to a fan.

Anyway, if this was the case and I received a letter from Woody Allen I would probably keep it as a memento. Nevertheless, If I ever found myself having money problems and the letter became valuable, I would make a copy of it and sell it to the highest bidder in an auction. This does not seem very sentimental but I am a very practical person.
